School Improvement Plan:

Goals:

- 1: Transition from the 2006 Massachusetts Science and Technology/Engineering (STE) Curriculum Framework to the 2016 Massachusetts STE Curriculum Framework through creation of curriculum units by grade level (PreK-6)
- 2: Implement the Lucy Calkins writing assessments across all grade levels (K-6)
- 3: Implement updated Second Step Curriculum to address social emotional learning and bullying prevention (K-6)
- 4: Ensure a positive adult and child learning community
- 5: Improve the home-school connection through classroom communication and whole school communication.
