

Summer Project Update:

Inside

- Thumb latches were installed on the interior doors so that doors can be locked from inside the room without using a key.
- Exterior door locks have been changed.
- New carpets were installed in 3 classrooms. One of those classrooms was painted.
- All windows in the south building (with the exception of the library) and the conference room, psychologist office, and former kindergarten classroom have been repaired.

Outside

- The shrubs next to the front entrance ramp were removed.
- The 3 pines trees by the parking lot were removed to prepare the area for 1-2 hardwood trees which will replace the pines
- Parking spaces have been relined and the handicaps spots marked clearly.
- There was a lot of growth removed along the green fence by the driveway near the playground area. A larger tree (not sure what kind) was kept. The hedges along the sidewalk were trimmed back creating more space for pedestrians.
- The low hanging limbs on the trees along the school property line by the playground extending toward the woods were all trimmed.
- A replacement gate is being installed in the driveway near the playground. Posts have been set.
- The PTO is working to salvage the playground shed. They have moved it to a new location by the gate so that it is closer to the blacktop for easier access. A new foundation was built and it received a new roof. They will be staining it as well.
- A "fire truck" and musical instruments will also be added to the playground.

Entry Plan/Summer Focus:

- Building relationships with community members (Chief Leighton, Building Use Committee, Town Administrator, Tom Walker, Matt at the Library, Mims Market, ...)
- Build relationships with staff: one on one meetings, survey at 1st faculty meeting

Upcoming Dates:

- Monday, August 29th - teachers return to work in their classrooms
- Tuesday, August 30th - District and school based meetings
- Wednesday, August 31st - First Day for students
- Wednesday, Sept 7th - Preschool and Kindergarten Open House 9-11
- Thursday, Sept 8th - Welcome Breakfast and 1st day for PK and K
- Wednesday, Sept 21st - Instrument Rental Night 6:30-7:30
- Thursday, Sept 29th - Picture Day (retake 11/3) and Open House (6-7pm)
